This school has an [access area](#) (). Any children living within the access area are given higher priority for a school place than children who don't live within the access area. This doesn't mean, however, that a place at the school is guaranteed.

Open evening: Tuesday 10 October 2018, starting at 5.45pm.

Tours of the school:

Open morning tours of the school will start at 9am on the following dates:

- Monday 2 October to Friday 6 October 2017
- Thursday 12 October 2017
- Friday 13 October 2017

Where the number of applications received via the Medway co-ordinated scheme exceeds 200, the school PAN, places will be allocated in the following priority order:

1. Children in public care – as defined in the Medway Council Co-ordinated admissions scheme
2. Current family association (a brother attending Greenacre Academy or sister attending Walderslade Girls School at the time of application and still attending in September 2018).
3. Historical Sibling – To give priority to boys with an older sibling who attended Greenacre Academy but who has now left. This situation to remain until the older sibling has been left for 5 years. Sibling means children who live as brother/sister in the same house and includes natural siblings, adopted siblings, foster siblings and step siblings. Extended family, for example cousins, living in the same house do not qualify as siblings).
4. Child's health reasons. Medical evidence must be provided which demonstrates a specific health reason which requires a child to attend the preferred school.
5. Residence in the Greencare Academy access area.
6. Nearness of children's homes and ease of access to schools (In the event of a tie within any criterion, before the last criterion, places will be allocated to those living closest to the school measured by the shortest available walking route.) Evidence of residence may be required.

Tiebreaker – In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.
