2. Catholic children, a baptismal certificate or evidence of reception into the Catholic Church must accompany the supplementary information form. See note a.
3. Children enrolled in the catechumenate. Evidence of enrolment in the catechumenate will be required.
4. Other looked after children and other previously looked after children who have been adopted or who have become the subject of a residence or guardianship order.

6. Children of families who are members of other Christian denominations that are part of Churches Together in England. Evidence of Baptism (or dedication) provided by a priest or minister of a designated place of worship will be required.
7. Children who are members of other faiths. Evidence of membership of the faith provided by a priest, minister or religious leader of a designated place of worship will be required.

The following order of priorities will be applied when applications within any of the above categories exceed the places available and it is necessary to decide between applications.

1. A brother or sister on the school roll at the time of admission. Evidence of the relationship may be required. See note b.
- ii. Social, pastoral and medical needs which make the school particularly suitable for the child in question. Strong and relevant evidence must be provided by an appropriate professional authority (eg qualified medical practitioner, education welfare officer, social worker or priest).
- iii. Proximity to the School from the child's home address. See note c.

Notes

- a. Catholics include members of the Ordinariate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome. Reference to other Christian denominations refers to denominations that are full members of Churches Together in England.
- b. A “brother or sister” means children who live as brother and sister including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters. It would **not** include other relatives eg cousins.
- c. Home refers to the permanent home address at which the child lives for the majority of his/her time and with the parent who is in receipt of child benefit. The distance calculated is the shortest available safe walking route known to the geographical information home/distance software used by Medway Student Services (Admissions). This graphical information software may not know all footpaths that are in existence and certain new roads may not be known. Where a footpath or new road is not known to the software an alternative route will be used. Where a child’s home is situated on a new road the distance calculation will begin from the nearest available known road plotted in the software. New developments may be subject to this. In certain cases it may not be possible to calculate a distance where the entire route is deemed as a safe walking route. In these circumstances the distance calculated is used purely to prioritise an application for admission. There is no expectation that the walk should be taken.
- d. Looked after children are those in the care of a public authority and are in public care. Applications made under this criterion must be accompanied by details of circumstance and professionally supported evidence (eg from an appropriate social worker).
