

All Faiths Children's Academy

Oversubscription criteria: 2018

Following receipt of parental/carers preferences, places will be offered to those children with Statements of Special Educational Needs or Education, Health and Care Plans where All Faiths Children's Academy is named. Then, if the number of requests received via the co-ordinated scheme is more than the number of places available, places will be allocated in the following priority order:

1. Children in public care/looked after children and previously looked after children - as defined in the Medway co-ordinated admission scheme.
2. Current family association (a sibling in the school at the time of application and still attending in September 2018).
3. Child's health reasons. Medical evidence must be provided which demonstrates a specific link between the child's medical conditions and needs and how All Faiths Children's Academy can meet these needs.
4. Multiple birth children, as defined in the Medway co-ordinated admission scheme. If All Faiths Children's Academy is oversubscribed and the final qualifying place is for a child of a multiple birth, the Council will give that multiple birth application a higher priority than other applications with the exception of children in public care.
5. Nearness of child's home to school measured using Medway Council's criteria.

Where criteria involves measuring distance to a child's home, the Local Authority's procedures for ascertaining the shortest available safe route between home and the school will be used. In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.
