

Wayfield Primary School

Oversubscription criteria: 2018

Following receipt of parental/carers preferences, places will be offered to those children with statements of special educational needs where Wayfield Primary School is named. Then, if the number of requests received via the coordinated scheme is more than the number of places available, places will be allocated in the following priority order:

1. Children in public care -as defined in the Medway co-ordinated admission scheme.
2. Current family association (a brother or sister in the school). A brother or sister attending the named school at the time of application and who will still be attending at the time of admission.
3. Medical, Health and special access reasons. Using the criteria laid out in Medway's co-ordinated scheme for Primary admissions.
4. Children of Teaching Staff.
5. Nearness of child's home to school measured using Medway Council's criteria.

Where criteria involves measuring distance to a child's home, the Local Authority's procedures for ascertaining the shortest available safe route between home and the school will be used.

In the event of a tie within any criterion before the last, places will be allocated to those living the closest distance to the school as mentioned above.

In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

MULTIPLE BIRTHS

In the event of the school being over-subscribed where the parent/carers for the final qualifying place available is the parent/carers of twins/triplets or other multiple births, The Primary First Trust will give multiple birth applications a higher priority for place than other applications with the exception of children in public care. To qualify, parents/carers must tick the appropriate box on the application to indicate the children are of multiple births.
