

# Chatham Grammar School for Girls

## Oversubscription criteria: 2016

### CHATHAM GRAMMAR SCHOOL FOR GIRLS

For SEPTEMBER 2016

#### Procedures where Chatham Grammar School for Girls is over-subscribed

After the admission of pupils with statements of Special Educational Needs where Chatham Grammar School for Girls is specifically named, the following oversubscription criteria will be applied in the order in which they are set out below:

1. a) Children in public care or children who have previously been in public care
2. b) Current family association (i.e. elder brother or sister in Chatham Grammar School for Girls or Chatham Grammar School for Boys at the time of application or who will be still attending when the applicant is admitted. In this context, brother or sister means:

- A natural brother or sister (including adopted siblings)
- Step brother or sister
- Foster brother or sister
- Those who live as brother and sister in the same house

1. c) Distance from the pupil's home as determined using Medway Local Authority measure. As defined below:

Distance will be measured by the shortest available safe walking route between home and school as measured by the council's geographical information system. Those living closer to the school will receive the higher priority. Medway Council's Geographical Information System measures the start point, end point and distance of each route in the following way.

#### The start point

The centre point of the road closest to the centre point of the pupil's home address. The centre point of the pupil's address is a grid reference taken from Ordnance Survey Mapping.

#### The end point

The centre point of the road or path closest to a defined point on the school site represented by a grid reference for the school defined within the geographical

information system. The same end point is used for everybody.

### **The distance**

The shortest available route between the start point and the end point using the centre point of streets and any other available safe walking routes. In a situation where there is no available safe walking route between a child's home and the school, an appropriate route on the road network will be used, purely to prioritise admission. In these circumstances there would be no expectation that the walk should be the one taken, or that it is a 'safe walking route'.

It is important to note that any roads that have been built recently (particularly in new developments) may not be included on the network. If this is the case, the measurement will start from the nearest available road on the network from the property.

In the event that a decision to offer a place has to be made between two applicants who cannot otherwise be separated, a random allocation will be made by drawing the name out of a hat.

### **Procedure for Admissions into Years 8 – 11**

Pupils will be admitted into Years 8 – 11 on the following basis:

1. a) The availability of a vacant place in the relevant year group.
2. b) Entry by test or review by the Headteacher to determine whether the pupils will be able to cope with the academic workload.

### **Post 16 Admission Criteria**

Boys and girls will be admitted into Year 12 on the following basis of meeting the admissions criteria based upon GCSE grades or other measures of prior attainment.

These criteria will be published in the Chatham Grammar School for Girls Sixth Form prospectus and published on the school's website. The criteria will be the same for internal and external applicants.

In the event of oversubscription, the same oversubscription criteria apply to Post-16 students that apply to Year 7 students.

### **Operation of waiting lists**

In respect of rising Year 7 pupils, as set out in the co-ordinated scheme, the LA will be responsible for holding a waiting list for pupils who request that their daughters name be added. This waiting list will operate until the end of Term 1 (October).

Thereafter, the Chatham Grammar School for Girls Academy Trust will maintain a waiting list.

The Chatham Grammar School for Girls will establish and publish arrangements for appeals against non-admission, including an independent statutory Appeals Panel.
