The following order of priorities will be applied when applications within any of the above categories exceed the places available and it is necessary to decide between applications.

I. A brother or sister on the school roll at the time of admission. Evidence of the relationship may be required. See note b.

II. Social, pastoral and medical needs which make the school particularly suitable for the child in question. Strong and relevant evidence must be provided by an appropriate professional authority (eg qualified medical practitioner, education welfare officer, social worker or priest).

III. Proximity to the School from the child's home address. See note c.

Notes

a. Catholics include members of the Ordinariate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome. Reference to other Christian denominations refers to denominations that are full members of Churches Together in England.

b. A "brother or sister" means children who live as brother and sister including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters. It would not include other relatives eg cousins.

c. Home refers to the permanent home address at which the child lives for the majority of his/her time and with the parent who is in receipt of child benefit. The distance calculated is the shortest available safe walking route known to the geographical information home/distance software used by Medway Student Services (Admissions). This graphical information software may not know all footpaths that are in existence and certain new roads may not be known. Where a footpath or new road is not known to the software an alternative route will be used. Where a child's home is situated on a new road the distance calculation will begin from the nearest available known road plotted in the software. New developments may be subject to this. In certain cases it may not be possible to calculate a distance where the entire route is deemed as a safe walking route. In these circumstances the distance calculated is used purely to prioritise an application for admission. There is no expectation that the walk should be taken.

d. Looked after children are those in the care of a public authority and are in public care. Applications made under this criterion must be accompanied by details of circumstance and professionally supported evidence (eg from an appropriate social worker).

Appeals

Parents whose applications for places are unsuccessful may appeal to an Independent Appeal Panel set up in accordance with section 85(3) of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reasons on

Admissions Policy 4 Admissions Policy 5

which the appeal is made. Appeals should be made to the Admissions Appeal Clerk at the school address. Parents/Carers have the right to make oral representations to the Appeal Panel.

Waiting Lists

Parents of children who have not been offered a place at the school may ask for their child's name to be placed on a waiting list. The waiting list, which will be maintained in accordance with Medway Council Admissions Scheme, will be operated using the same admissions criteria listed above. Placing a child's name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. It is possible that when a child is directed under the local authority's fair access protocol they will take precedence over those children already on the list.

Fair Access Protocol

The school participates in the local authority's Fair Access Protocol to allocate places to vulnerable and other children in accordance with the School Admission Code 2012. Admitting pupils under the protocol may require the school to admit above the planned admission number for the relevant year group.

Sixth Form

Planned admission to the Sixth Form is 185. All pupils will be expected to support fully the distinctive Catholic Ethos of the sixth form.

For Advanced, Advanced-Subsidiary and Advanced Vocational Certificate of Education courses, the minimum entry requirement is five A* to C grades at GCSE. Some courses will require a student to have gained at least a 'B' grade in that subject before study at A-level can commence, e.g. Physics and Chemistry.

There are no minimum entry requirements for Level Two courses.

The Governing Body is the Admissions Authority. The Head of Sixth Form will advise but the final discretion is with the governors.

All courses are subject to availability and timetabling constraints.
