

The Howard School

Oversubscription criteria: 2018

If the number of preferences for The Howard School received via the Medway coordinated scheme is more than the number of places available, places are allocated in the following priority order:

- i) Looked After Children or previously looked after children as defined in the Medway coordinated admission scheme.
- ii) At the time of application where a child has a brother/sister including adopted siblings, stepbrother/sister, foster brother/sister and those who live as a brother/sister in the same house currently attending the school and will still be on roll at the time of entry.
- iii) Child's health reasons. Medical evidence must be provided which demonstrates a specific health reason which requires a child to attend the preferred school.
- iv) Where the child resides within the access area. Priority given to those nearest the school.
- v) Nearness of child's home. Distance will be measured by the shortest available safe walking route between home and school as measured by Medway Council's Geographical Information System.

Tiebreaker

In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.
